

# Ian's Life

Listen to the speech below about your teacher's hometown and where he lives in Japan. Fill in the gaps.

My hometown is Peterborough. Peterborough is \_\_\_\_\_ than Narita but \_\_\_\_\_ than funabashi. Now, I live in Narita. There \_\_\_\_\_ people in Narita than in Peterborough so there \_\_\_\_\_ public transport. I want to live in Tsudanuma. There \_\_\_\_\_ daytime entertainment and there \_\_\_\_\_ places to go at night in Tsudanuma. Narita also has \_\_\_\_\_ shopping than Tsudanuma so Tsudanuma is \_\_\_\_\_. Tsudanuma has \_\_\_\_\_ Narita but it is much \_\_\_\_\_. Tsudanuma is also \_\_\_\_\_ to the school so I can get home \_\_\_\_\_ and have \_\_\_\_\_.

Now use some of these ideas to write about where live and where you want to live. Also write a little about your family comparing yourself to your other family members.
