

Read the problems that the three people below are having.

Jane

Jane has lost her dog. She woke up this morning and the front door was ajar and her dog had gone. She looked around all day but couldn't find him.

Jack

Jack has a bad stomachache and a high temperature. He's too sick to go to work today but he doesn't like bed rest.

Mary

Mary broke up with her boyfriend last night. She found out that he had been seeing her best friend behind her back.
