

Bad Advice

I have no money.

Tell her.

I'm too busy studying and going to the gym everyday.

Get a job.

I'm too shy, and she might say she doesn't like me.

Join a gym.

I don't like vegetables and salads and food like that.

I love a girl but she doesn't know.

Borrow money from your parents.

They don't trust me.

Eat more healthily.

I don't know her address.

I put on 10kgs over Christmas.

Write her a letter.

They are too expensive and I don't have one near my house.

First match the problem with the 2 pieces of advice that are appropriate and then match the advice with the reason why that advice isn't good for the person.
