

# For Teachers

You can also use the concentration cards to play this simple board game.  
This game can either be played for points or just for fun running around the board.

When using these worksheets in your class be aware that they are the worksheets that I used in my class printed here as is and as such use vocabulary and grammar appropriate to the students that I was teaching at the time. If you plan to use this or any other sheet in your class make sure that you have pre-taught all the vocabulary necessary or preferably, use the ideas here and rewrite the worksheet for your specific students needs.

Most of all,

Enjoy.
