For Teachers

Print off two copies of all these cards and hand them to group of 3-5 students. Students have 6 cards each. Lay down one face card and then the students take it in turns to try and beat. For example 'My helicopter is bigger than you cat.'

When using these worksheets in your class be aware that they are the worksheets that I used in my class printed here as is and as such use vocabulary and grammar appropriate to the students that I was teaching at the time. If you plan to use this or any other sheet in your class make sure that you have pre-taught all the vocabulary necessary or preferably, use the ideas here and rewrite the worksheet for your specific students needs.

Most of all,

Enjoy.
