# For Teachers

Use these flashcards to prompt the students to make sentences. For the last few you can take a poll of the class first “Which do you like best?” and the students give the answer that applies to them.

When using these worksheets in your class be aware that they are the worksheets that I used in my class printed here as is and as such use vocabulary and grammar appropriate to the students that I was teaching at the time. If you plan to use this or any other sheet in your class make sure that you have pre-taught all the vocabulary necessary or preferably, use the ideas here and rewrite the worksheet for your specific students needs.

Most of all,

Enjoy.
