

I feel very tired
these days.

My neighbors are
too noisy

I failed my Midterm
test.

I have a job interview
but nothing to wear.

I can't sleep
at nights.

My boy/girlfriend is
angry with me.

I'm broke.

My back hurts.

My boss keeps asking
to go on a date.

I have a crush on someone
but they don't know.

My friend is always
late.

I forget to buy my mother
a birthday present.

I have too much
homework.

I have too much stress
these days.

I gained 5 kg
last month

I have a headache.
