For Teachers

For rules and variations of how to play this and other games check out the Games and Activities section of the website.

First use the poster or a poster of your own to set up the idea and to elicit the questions forms from the students. Then perform this as a listening cloze activity and then as a substitution activity.

When using these worksheets in your class be aware that they are the worksheets that I used in my class printed here as is and as such use vocabulary and grammar appropriate to the students that I was teaching at the time. If you plan to use this or any other sheet in your class make sure that you have pre-taught all the vocabulary necessary or preferably, use the ideas here and rewrite the worksheet for your specific students needs.

Most of all,

Enjoy.
